

NADAY ABBAS

FRONTEND DEVELOPER

Karachi, Sindh, Pakistan | nadaycoding@gmail.com | 03002132667 | [Linkedin](#) | [Github](#) | [Portfolio](#)

SUMMARY

Frontend Developer skilled in React.js, JavaScript (ES6+), and Tailwind CSS with hands-on experience building responsive and user-focused web applications. Experienced in transforming designs and ideas into clean, functional, and maintainable interfaces with a focus on usability and performance. Also experienced with Bubble.io, with practical knowledge of both custom-coded and no-code development.

TECHNICAL SKILLS

React.js	JavaScript (ES6+)	HTML5	CSS3
Tailwind CSS	Bootstrap	Responsive Web Design	Git & GitHub
REST APIs	Node.js	MongoDB	Bubble.io

WORK EXPERIENCE

Junior Web Developer, HZ Tech May 2026 - Present

- Managed live project lifecycles and complex API integrations, ensuring seamless data flow and high-performance UIs.
- Led frontend development for real-world client projects

Web Development Intern, HZ Tech January 2026 - April 2026

- Developed teamwork and problem-solving skills through daily reviews and collaborative debugging.
- Assisted the team in translating design into responsive UI components for modern web environments.

Back End Developer Intern, Techmire Solutions April 2025 - July 2025

- Assisted in developing Node.js and Express.js REST APIs for backend application functionality.
- Assisted with MongoDB CRUD operations and backend data handling working alongside senior devs.

PROJECTS

MOVIE FLIX

Developed a React.js movie discovery application that fetches trending content through an external API

BEAST GAMES

Designed and developed a modern gaming store website from scratch using HTML, CSS, and Bootstrap.

PORTFOLIO

Developed an interactive React.js portfolio showcasing projects, skills, and development experience

EDUCATION

Bachelor of Science in Software Engineering Graduation : 2026

Sir Syed University of Engineering & Technology

- Focused on software development, programming, databases, web technologies, and practical software engineering projects.

Smart Web Designing Course March 2023 - August 2023

Malaysian Learning Hub

- Learned the fundamentals of web design and development, including HTML, CSS, Bootstrap.
